The modifications required to secure approval were reviewed and the application fully approved on 10/1/2019.

IRB Approval

Under FWA #00006878, the IRB approved your activity from 9/24/2019 to 9/23/2020.

- **Depending on the nature of your study, you may need to obtain other approvals or permissions to conduct your research. For example, you might need to apply for access to data or specimens (e.g., to obtain UW student data). Or, you might need to obtain permission from facilities managers to approach possible subjects or conduct research procedures in the facilities (e.g., Seattle School District; the Harborview Emergency Department).**
- This approval applies only to the activities described in your application (including any references to specific grant sections). It does not include other activities that may be described in your grant or contract.
- This approval is for the number of subjects described in your application (in total and for each group). Submit a Modification to request an increase in the number of approved subjects, if necessary. Exceeding the IRB-approved number (**over-enrollment**) will be considered non-compliance.

Location of documents
Use the consent forms that were approved and stamped by the IRB. They can be downloaded from the Final column under the **Documents tab** in Zipline.
